Education Assistance Program Funding Announcement

Dear Tribal Members,

It is with regret that we announce that the funding for the Education Assistance Program has been suspended due to the depletion of Federal funds. The approved applications that were received at the earliest date will consume the remaining balance of funds. A formal letter will be sent out to those applicants who will not be receiving the assistance. The Shawnee Tribe Administration is so proud of our members who are diligently working on their continuous education and hope to offer this program assistance again in the future.

Sincerely,

Education Committee
